As this is my first weekly log, I did not have a formal meeting with my supervisor, Phil Morris. I managed to speak with him briefly for a couple of minutes about my project proposal. I asked him to send me an email confirming whether my proposal had been accepted and explaining what I needed to work on. We then arranged a meeting for the following week.

Tasks to be completed this week **Notes: record any additional tasks on notes page as required.**	
1	Receive confirmation from my supervisor about whether my proposal has been accepted.
2	Review my project proposal and identify any changes or improvements needed.
